# Meet the people who live and work in the castle

I'm Johannes, Philippe Pot's falconer. My master is hunting in the forest. Take a good look at the countryside in the distance.

Do you see the flag on the tower?  
That's where we live!

Peek through this opening to see the Canal of Burgundy.

Take a picture with the castle's architects and visit the exhibition about the restoration works.

I'm Tancred, the gardener. My orchard was redesigned recently and so the trees are still small!

Enter the guest house and listen to my master's story.

You completed all your adventures in the castle. Come back soon to discover new things!

Hello, my name is Philippe Pot, I was the owner of the castle during the Middle Ages! And this is my dog, Ulysses. I built the tower that's just been restored : a new roof was installed.

I'm the cook, Blancheflour. I'm harvesting some cabbage leaves and fresh herbs to make soup. Take a stroll in the Medieval-inspired vegetable garden.

Follow us to the orchard. That's where the tastiest apples are grown.

We're taking you on a tour of the fortress.
